

Mushroom Classification

Wireframe Document

User Interface

1. The user can view the following web page once entering the web application

The image shows a wireframe for a web application titled "MUSHROOM CLASSIFICATION". The background is a dark, moody photograph of a forest floor with a single mushroom in the center. The text is white and centered. Below the title, a subtitle reads "THE GOAL OF THE PROJECT IS TO PREDICT MUSHROOMS ARE EDIBLE OR POISONIUS." (Note the typo in the original image). Below this is a section titled "ENTER VALUES" which contains two columns of input fields. Each field is preceded by a label indicating the attribute to be chosen from a list. At the bottom center, there is a green button labeled "Predict".

MUSHROOM CLASSIFICATION

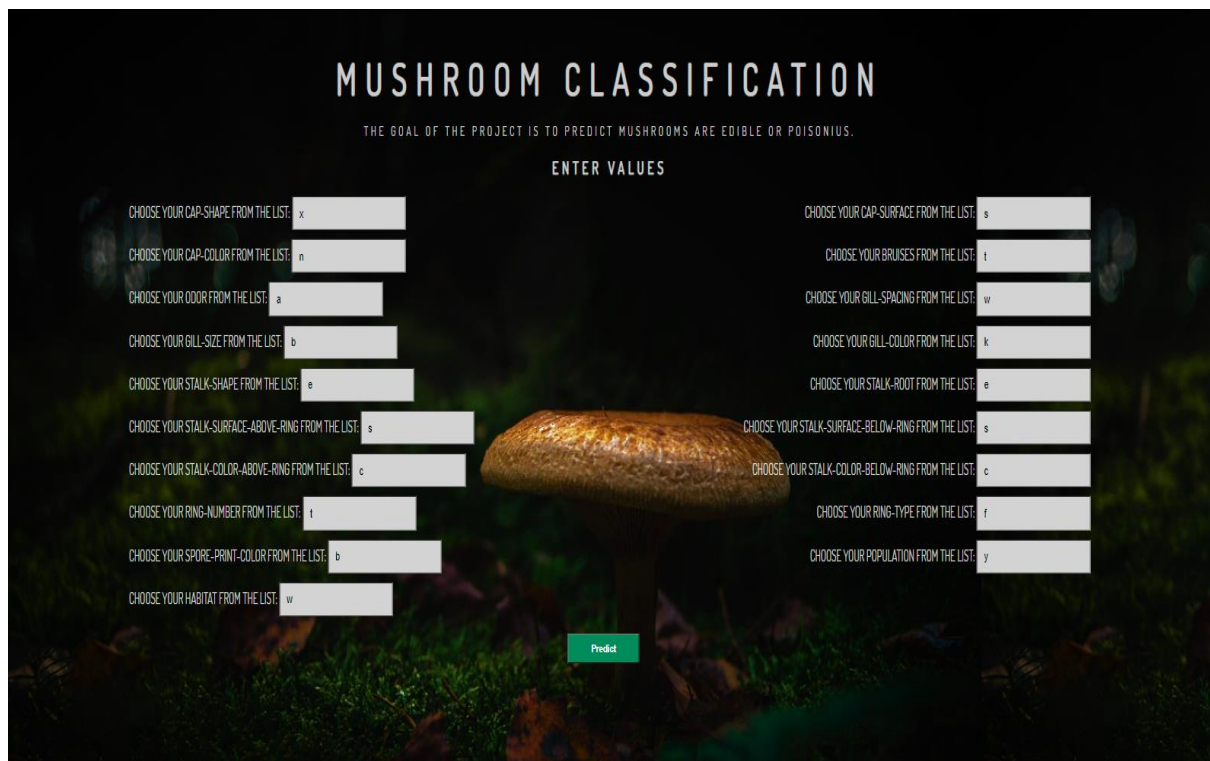

THE GOAL OF THE PROJECT IS TO PREDICT MUSHROOMS ARE EDIBLE OR POISONIUS.

Predict

2. Choose the values from various options from each field. After entering the values in the fields

The image shows a wireframe for a 'MUSHROOM CLASSIFICATION' web application. The background is a dark, moody forest floor with a single mushroom in the center. The title 'MUSHROOM CLASSIFICATION' is at the top in a large, white, serif font. Below it, a subtitle reads 'THE GOAL OF THE PROJECT IS TO PREDICT MUSHROOMS ARE EDIBLE OR POISONIUS.' (Note the typo in the original image). Underneath the subtitle is the heading 'ENTER VALUES'. The form consists of two columns of input fields, each preceded by a label. The labels are in a small, white, sans-serif font. The input fields are light gray rectangles. A green 'Predict' button is centered at the bottom of the form area.
